11F,No.29, Lane 169 ,Kang-ning Street, Hsi-chih, Taipei Hsien, Taiwan, R.O.C

## EM-285AS

### Specification:

Frequency Response 80Hz~12KHz

Sensitivity            -68dB for short distance-56dB  
                                 for long distance

Impedance            520 Ohm for short distance2.3K Ohm  
                                 for long distance

Power                 DC 1.5V
